Re: United States v. Woodfolk, JFM-93-0419

Dear Judge Motz:

Thank you very much for providing me with the opportunity to have a new chance at life. I have given all that I have to change, and I am committed to paying it forward. I plan to speak as often as I can with the younger generation, and help them to see a brighter future in education and honest work. As for myself, I plan on first working as a paralegal, and thereafter starting a new dynamic online search engine. I plan on taking my time, and remembering what I've learned. My mother would be proud of me, and I know that she is thanking you everyday.

Sincerely,
Corey L. Woodfolk
